BNG6875	Bastion Premium Black Nitrile P/F X-Large Gloves	10	100	1000

FEATURES & BENEFITS

Overview:

Bastion Premium Black Nitrile Gloves (Powder Free) are ideal for medical and industrial applications, offering a comfortable fit and high puncture resistance. These gloves are loved in the food service industry for their durability and reliable protection. The darker colour hides inks, stains, blood, and other colourants for a crisp and professional look.

Key Benefits:

- Excellent puncture resistance, surface strength and longer shelf life over latex and vinyl gloves
- Nitrile gloves provide superior contamination resistance compared to latex and vinyl gloves
- Designed with a fully textured finish to give the user greater sensitivity and enhanced grip
- Black gloves do not show stains from inks and dyes
- Standard 240mm length
- Ambidextrous
